Special Accomplishments / story: Tyler is a very happy dog when working stock with Ken. He wants to please, but can become overly excited and likes to rush the situation. With time he is seeing the light at the end of the tunnel, and say’s, “If I slow down I can do a better job for Dad”. Tyler has noticed it feels good to center pen the stock, and so very excited to get around to the back of the center pen to get them out. Tyler qualified for his WTCH title on Feb. 15, 1999 in Phoenix, Arizona. By Jan. 2001 Tyler qualified for PATDcs and RTDcs titles in Murrieta, California.
